

New Opportunities!

Ways for individuals and groups to volunteer with Saint Louise House this fall.

Become a Hygiene Hero: Provide the hygiene and cleaning necessities for a family for 3 months

Take care of a family's hygiene necessities for 3 months.

You will receive a wish list and put together a box of items for that specific family each month.

Bring the box to our office.
Remember, our drop off procedures will be contactless!

The box will go straight to the family's door step to ensure they have all they need for the month.

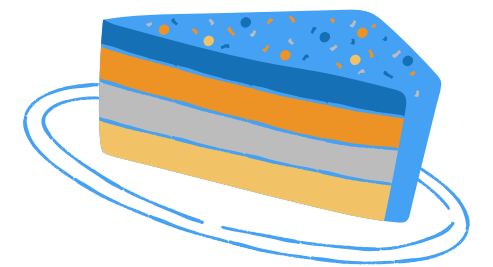

Provide Goodie Bags

Zoom can be exhausting. Encourage mothers and children to stay engaged in activities with themed treat bags.

Meals and Birthday Cakes are Back!

Help us celebrate residents' birthdays, move ins, and more by providing a meal or cake for their special occasion.

Learn More at a Community Information Session

Invite a friend and join us to learn more about the history, mission, and approach of Saint Louise House.

October 7th at 12 pm.
Zoom link will be sent upon RSVP.
