

Benefiting the Mothers and Children of Saint Louise House

SATURDAY, OCTOBER 23, 2021 • 6:30PM  
JUNIOR LEAGUE OF AUSTIN COMMUNITY IMPACT CENTER

The mission of Saint Louise House is to empower mothers and their children to overcome homelessness for generations to come. Our organizational values of **Empowerment, Personal Strengths, Simplicity, Humility** and **Effectiveness** drive our program model of intense partnership. This partnership leads to the women and children of Saint Louise House developing the skills necessary to transform their own lives and reach their full potential, breaking the cycle of homelessness and poverty for generations to come.

*“(Saint Louise House) is a supportive housing program, but more than anything, it is a program that helps support your dreams – like going to school, finding ways to make more money, and utilizing your resources.”*

*– Saint Louise House Alumna*

**We invite you to become a sponsor of the inaugural Game Changer benefiting the mothers and children of Saint Louise House.**

This bold new event will unite the strong traditions and communities fostered by our two previous annual events into one fun evening of dinner and games to raise critical funds to support the families of Saint Louise House.

Through your sponsorship, you will be helping to transform the lives of mothers and children in our community who need our help. You will be joining the Saint Louise House community of champions for families.
